3	I have no problems nor complains
4	She helped find financial aid when thought there was none. She made school possible for me.
5	the financial aid person, to me, is not too friendly. I understand a lot of students go through her office but she should have a smile or even a hello for every person that comes in her door/doorway.
6	Financial aid was a big help with my education
7	Should be more cheerful and approachable.
8	Recently, I've been stuck with a huge child care bill. So, scholarships and my unmet financial need went up so expenses can be taken care of. I am relieved and props to the financial aid for helping me.

14	I dont think its fair that I lost funding or that my funding may have been given away to other students to support their funding when i worked hard to fill out my scholarships for myself, however i am thankful that it was not ALL taken away and that I was able to receive some stipends as opposed to none.
