

## **FINANCIAL AID SERVICES**

Financial aid is available to students who, without such assistance, would not be able to attend Sitting Bull College (SBC). These programs complement the student's own resources. Financial aid consists of grants and scholarships, loans, work-study programs, and waivers of tuition. Grants and scholarships are gifts of money that are not repaid. Loans are funds borrowed that must be repaid. Work-study (student employment) allows the student to work and earn money for educational purposes.

Follow the following process when applying for financial aid at SBC:

- Complete the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and list Sitting Bull College's code - **014993** - on the FAFSA. Students (and parents of dependent students) will need a Federal Student Aid Identification Number - known as an FSA ID - to sign the form electronically. To apply for an FSA ID, visit the FSA ID site at <https://studentaid.ed.gov/sa/fafsa/filling-out/fsaid>. The FAFSA is the application for the federal Pell grant program. Complete the FAFSA application as soon as possible starting **October 1** for the following academic year. Applicants are strongly encouraged to use the IRS Data Retrieval Tool (DRT) when completing the FAFSA.
- Complete the FAFSA for consideration for funding from the North Dakota State Student Incentive Grant (SSIG). This scholarship is only available to North Dakota residents who meet specific ND University System criteria. Eligibility information is located on their website at [www.ndus.edu/students/paying-for-college/](http://www.ndus.edu/students/paying-for-college/).
- Complete the FAFSA by April 30 to receive priority consideration for funding from the Federal SEOG and Federal Work Study programs at SBC for fall term or October 31 for spring term.
- Complete the Higher Education Grant application by the priority date established by that program. For Standing Rock Sioux Tribe, the following priority dates are established:
  - June 30 for a completed application for the academic year or fall term only
  - November 30 for a completed application for the spring semester only
  - April 30 for a completed application for the summer term
  - Late applications are accepted after these dates until available funds are all depleted.
  - Other tribes will have different priority dates for their program.
- Complete the Workforce Services P.L. 102-477 application in July or August for fall term and November or December for spring term.
- Complete the North Dakota Indian Scholarship by July 15. This scholarship is only available to North Dakota residents attending a North Dakota college and who meet the Native American requirements.
- Complete the SBC Application for Institutional Financial Aid for all institutional scholarships and grants available from Sitting Bull College by April 30 for fall term or October 31 for spring term.
- Apply for all sources of financial aid available to the student.

The SBC Financial Aid Office reserves the right to make the final determination regarding the type(s) and amount of aid awarded to students. Funds are awarded based on an evaluation of the student's eligibility as determined by the need analysis service using the Free Application for Federal Student Aid (FAFSA) form and the availability of funds of the various aid programs. Students receiving additional scholarships not listed on the award letter must report the funding source and amount to the financial aid office.

Students who have submitted the FAFSA should receive an award letter notification by June 30. Students must have a completed financial aid file to receive federal financial aid. If a student's FAFSA application is selected for verification and the process has not been completed, the student will receive a **tentative** award letter stating federal funds that s/he may be eligible to receive. However, federal funds will not be disbursed to the student until the verification process is completed.

Beginning July 1, 2012 students are limited to a Pell lifetime eligibility unit (LEU) of 600%, which equates to 12 semesters of full-time enrollment. Students enrolled below full time in a semester will have their term of funding prorated. (Example: 6-8 credits is half-time enrollment so the Pell LEU % for a half-time student would be 25% during the semester compared to a full-time enrollment that would be 50% Pell LEU for the semester.)

Financial aid awarded is based on the need and availability of funds. Need is defined as the difference between the estimated cost of education and the EFC (expected family contribution) calculated by the Department of Education based on information the student provided on his/her FAFSA application.

The estimated cost of education (BUDGET) includes those line items necessary for a student to pursue an education: tuition, fees, books and supplies as well as personal living expenses such as room, board, transportation, computer rental or purchase, personal expenses, childcare expenses.
